January 20, 2009

Sir:

In response to the Notice to Comply of January 2, 2009 and the Restriction Requirement of August 22, 2008 ("Notice"), attached herewith is a substitute Computer Readable Form (CRF) copy of the Sequence Listing, together with a paper copy of the Sequence Listing. The substitute Sequence Listing includes sources of genetic materials set forth in SEQ ID Nos. 4-16, as required by the Examiner. It is urged that the substitute CRF copy is in compliance with the requirements. No substantive changes have been made to the Sequence Listing, and the required Declaration to that effect is attached.

This response is being filed with a petition for a four-month extension of time for response and the required fee. No further fees are believed to be required. If, on the other hand, it is determined that any further fees are due or any overpayment has been made, the Assistant Commissioner is hereby authorized to debit or credit such sum to Deposit Account No. 02-2275.

Pursuant to 37 C.F.R. §1.136(a)(3), please treat this and any concurrent or future reply in this application that requires a petition for an extension of time for its timely submission as

incorporating a petition for extension of time for the appropriate length of time. The fee associated therewith is to be charged to Deposit Account No. 02-2275. Any deficiency or overpayment should be charged or credited to Deposit Account No. 02-2275.

Respectfully submitted,
